Retrospective Sprint 3

Morry

Good:

1. Overall well scheduled and planned
2. Testing well carried out
3. Good arrangement of demo

Not good:

1. Too many features built, hard to be planned in 10 minutes

Booker

Good:

1. Good arrangement of demo
2. Continued to build on documentation, make code more structured
3. Fixed minor bugs on UI

Kevin

Good:

1. Scheduled ahead of time, have plenty of time to do testing
2. Smooth cooperation among team members
3. Demo presentation preparation on track

Miley

Good:

1. Design workflow of demo in advance
2. Smooth progress and finish coding on time
3. Testing and polish the code
